**As Determined by a Worldwide Water Industry Vote, CH2M HILL Has Also Won**  
**the Prestigious Global Water Award for Water Company of the Year**

DENVER, CO, May 07, 2012 - CH2M HILL ([www.ch2mhill.com](http://www.ch2mhill.com)) has won the Global Water Award for Water Company of the Year. The annual Global Water Awards, sponsored by the International Desalination Association and Global Water Intelligence, distinguish outstanding achievements within the international water industry. The awards were presented at the Global Water Summit in Rome on April 30, which is attended by water leaders from around the world.

The Global Water Award for Water Company of the Year is given to the water company that made the most significant contributions to the development and advancement of the global water sector over the past year.

"This is a distinct honor for CH2M HILL," said Bob Bailey, CH2M HILL Water Business Group President. "Several prestigious international water companies have received this honor in the past, and we are very pleased to earn this worldwide recognition. This recognition is a testament to not only the hard work and dedication of CH2M HILL's employees to solve our clients' challenges, but also to our clients and partners in the urban, industrial, energy and agricultural sectors who trust us to deliver solutions that balance social, economic and environmental priorities."
