PART 2 – Minimum Qualifications and Design-Build Practice Questions

1. **WORK LOCATION:** Does the applicant participate in design-build project delivery and other forms of collaborative project delivery such as construction management at-risk, design-build-operate, and public-private partnerships (collectively referred to as “collaborative project delivery”) for water or wastewater systems or facilities in North America?
Yes No

2. DESIGN-BUILD AND OTHER COLLABORATIVE PROJECT DELIVERY PRACTICE

- a. Is the applicant an active practitioner as a prime contractor or under risk sharing arrangements with partners within the water industry using design-build and other collaborative project delivery methods? Yes No
- b. Does the applicant have in-depth, in-house comprehensive professional engineering capabilities or self-perform construction capabilities as licensed and recognized by the appropriate governmental body in which the organization conducts its business? Yes No

3. BUSINESS STRATEGY AND REVENUE

- a. Does the applicant maintain a mainstream business component and/or strategic business plan for design-build project delivery and other collaborative project delivery methods? Yes No
- b. Does the applicant maintain a combined annual revenue* of greater than \$40 million for design-build and other collaborative project delivery methods in the water industry as a prime contractor (including joint venture partner or member of a special purpose corporation) accepting performance guarantee risks? Yes No

If yes, please list the applicant's combined water industry design-build and other collaborative project delivery revenue for the last three calendar years.

2018 \$ _____ 2019 \$ _____ 2020 \$ _____

*Revenue includes design revenue on design-build and construction management at-risk projects, design-build revenue as a prime contractor or in joint venture arrangements, or construction management at-risk revenue.

Note: If an applicant does not meet the minimum regular member revenue threshold requirement, the applicant may apply for an advisor membership to the Council.

WDBC Regular Member Application *(continued)*

PART 3 – Expression of Interest

Please provide a (500-word maximum) written expression of interest on why the applicant desires to be a member of the Water Design-Build Council.

PART 4 – Commitment of Resources, Participation, and Code of Conduct

By signing and submitting this application, the applicant agrees to:

1. Actively participate in WDBC meetings, committees, activities, and development of WDBC work products
2. Abide by the WDBC Code of Conduct and Antitrust Policy (see attachments)
3. Maintain regular membership (including payment of annual membership fees) for a minimum of three years

PART 5 – Owner Reference

Please provide the name and contact information of an owner reference:

Owner or Agency _____

Contact Name _____

Title _____

Address _____

Email _____

Phone Number _____

PART 6 – WDBC Regular Member Sponsor

Please provide the name of a current WDBC regular member who is sponsoring the applicant for regular membership:

Sponsor Firm or Company _____

Contact Name _____

Title _____

Email _____

Phone Number _____

PART 7 – Applicant's Signature

By signing this document, applicant grants a WDBC representative permission to contact the reference and sponsor listed on this application for verification.

Name (print) _____

Title _____

Organization _____

Signature _____

Applicant may be asked to participate in an in-person or telephone interview with WDBC representatives to discuss content of this application and/or questions related to the applicant's potential WDBC membership.

Regular Member Contribution

- \$36,000 annually
- In-kind participation in committees
- In-kind collaboration to promote objectives

Please complete, sign, and send application form via email and/or regular mail to:

Robert Golden, Business Operations Manager
